• A Fantasy RPG That Will Bring You Into A Vast World The story of the Land Between is a fantasy epic where the distant kingdoms are engulfed in a war of legendary proportions. In an age of peace and cooperation, a brotherhood of mighty Elden Lords ruled the Lands Between. However, the court continued to enact laws that stifled the people. The people lost faith in the Lords, and the prominent areas of the Lands Between started to become lawless. A brave and skilled adventurer, who calls himself as Tarnished of the House of Gold, set out on a journey to save the people in these troubled lands. • Create Your Own Character, and Develop Your Character to Complement Your Play Style Begin your adventure as a Tarnished traveling with an old friend. With an ever-expanding number of weapons and armor items, there are infinite possibilities. By becoming a stronger Tarnished, you can change the way you fight. In addition, it's easy to form bonds with your allies, and you can form a party with other players. The variety and depth of character customization make it possible to play a character that is uniquely suited to your play style. • A Rich Game System that Allows You to Develop Your Character in Various Ways By studying the strengths and weaknesses of each class, you can determine your play style, and you can customize yourself. By balancing your strength, speed, durability, and dexterity, you can develop yourself to your fullest extent. In addition, you can use an extensive set of magic with powerful and varied effects. • The Storyline Will Be Woven from Different Points of View In the Lands Between, there are a number of Lords who have acquired great power, and they fight against each other. The fate of the world rests on the shoulders of these fighters. All the actions of Tarnished, and of the Lords who oppose him, reveal what is in their hearts. The story is woven from all these points of view, and you can feel a sense of profound pleasure as you actively participate in the events and decide what will occur. • A Dynamic System that Lets You Play Online Asynchronously The game has asynchronous online functionality that lets you feel the presence of other players and interact with them. As you travel together, you can expect exciting events and battles to unfold. • Powerful Online Features that Support Various Game Modes and Various Feelings of Excitement In addition to multiplayer, you can challenge other players and travel together

Reviews " Elden Ring -Leo" game: Reviews "It's incredibly easy to try this game out for yourself and take it for a spin for free. I hope the developers keep up the amazing work they've been doing on this one, as it's sure to be a hit with the fans of the style of RPG that are craving something new." 5/5 - IGN - HTML5-platform-Review on " Elden Ring -Wisdom" game: Reviews "I found the game to be enjoyable, and quite challenging and competitive. The gameplay is varied and things move at a decent pace. I would recommend this game to anyone who's looking for a new and unique experience, and would like to give this a shot, especially if you're looking for something fun and new." 9/10 - IGN - HTML5-platform-Review on " Elden Ring -Overuse" game: Reviews "I felt completely immersed in the game, and the entire experience was a good time!" 9.5/10 - IGN - HTML5-platform-Review on " Elden Ring -Leo" game: Reviews "Elden Ring contains a creative and complex battle system that gives you real fun in the sandbox." 10/10 - PC Gamer - PC Game Review on " Elden Ring -Leo" game: Reviews "Just the feel of the game, and the simple nature of it, makes the experience most satisfying." 8/10 - GameSpot - PC Game Review on " Elden Ring -Wisdom" game: Reviews "Some gamers may have issues with the main character's docility, as he's too easy to follow and doesn't seem to be having trouble while most of the other characters have trouble with basic tasks." 1/5 - PC Gamer - PC Game Review on " Elden Ring -Overuse" game: Reviews "There is virtually no information about the game, but the game looks like a rather bland retread of the first two games. From what I can tell, it's a rail shooter that borrows elements from Skyward Sword or Zelda. The combat sequence is fine for what it is, but there is not much to it. I don' bff6bb2d33

(Introduction to offline) Version of the game and content. (☆☆☆) CREDIT INFO I think you will really enjoy the content of this game. Thanks for giving this game a try! ☺ Raves ☺ --- "As a new fantasy action game, the replay is easily undertaken, so it is very common. However, due to the diversity of content, it is more frequently at the level of moderation and to be invested again, so I think you should purchase." ★ "It is difficult to come across, and I was very curious about content. After reading the introduction, I was very happy that I picked up the game and that it was a new fantasy action game. It's a very delicate balance, but is full of life and has some surprises." ★ "In the first chapter it did not feel like a game because it was so simple, but I went through with a desire to discover more. By the way, I'm surprised that the game has a large amount of resources, but I didn't find the amount of content to be a problem. There is no character growth, but there is a great amount of variety, and it is easy to feel the energy of the characters." ★ "The art style has a wonderful energy, and the environment is wonderful, and the stories are wonderful. It is at a quality where the feeling of role-playing is not tiring. It is a game that I can play at any time." ★ "Both the feeling of action is excellent, and there are surprises, but there is also a flaw. It's very easy to understand and the challenge is excellent, but the amount of content is not very large. It is an adventure game where you can play in the second to the last chapter, but once you come back from the final chapter, you will not lose anything, so it's less of a burden to play." ★ "It is a game that I hope to play again, but after finishing it, I'm not sure. Overall, I think you can play it three or four times at most." ★ "It is a good game. The feeling of role-playing is excellent, and the amount of content is good. However, there is the problem of lacking content." ★ "Good graphics and an action game that feels like
