The prohibition of students entering teacher training college. (Dictionary of Title 47 of the Philippine Commission on Higher Education. 2007. Filipino translation.) The above definition might be enlarged to include: the only school that shall be given the sole and express power to bar from entering its classroom, or in any other public school building, the pupils who are seeking admission into a regular high school. The principal of the high school shall have the power to bar such individual from the public school building, provided that the principal of the school has made a finding that such pupil: (a) is a known delinquent; (b) is an habitual truant who has or has failed to make satisfactory explanation as to the cause of his truancy; (c) is an habitual truant whose explanation for the same has been found by the principal and the teacher of the school or schoolhouse to be insincere; (d) is one whose parent or guardian has failed to fulfill the obligations incumbent upon him in the support and maintenance of his children; (e) is one whose parent or guardian has not supported him in the work of his class in grade school; (f) is one whose parent or guardian has failed to support him for a reasonable period in the normal and normal requirements of grade school; (g) is one whose parent or guardian is the subject of a pending or final petition for the condemnation of property; (h) is one whose parent or guardian is the subject of a pending or final petition for the condemnation of property; (i) is one whose parent or guardian is suspected of violation of the laws regulating the possession, distribution, sale and use of drugs or narcotics and is placed under surveillance or has been actually arrested and convicted of violating the laws; or (j) is one whose parent or guardian has been declared incompetent for mental illness by a court of competent jurisdiction. (Q.C.R., art. 1801, § 6)

Lithuanian President Dalia Grybauskaite reacted to the drafting of a EU Anti-Terrorism Law
