Please be aware that the folder structure of any CD/DVD is not the actual folder structure which exists on the original medium. I have no control over the items on this list, and have tried to verify that this list is complete and correct before posting. Additionally, I cannot answer questions about items that do not exist on this list. If you have any questions, please contact your CD/DVD source for more information. The following list includes all of the games on the PlayStation 2, as well as all their PlayStation One counterparts, which have all been ported to PS2 in one form or another. Unless you have the physical inventory file or a backup, all of the items on this list are gone forever. The following list includes games which were only available on PSone, or which have been ported to PS2 in a retail or digital form. This page was last modified on 28th June 2015, at 14:53, and it currently contains 3,253 items. The following list contains all games available on the Nintendo 64. The following list is a complete list of all games available on the Xbox, with the exception of the Xbox 360 version of Perfect Dark Zero (PS2), which was not released in North America. Early ports were released for the original PlayStation. Some titles are intentionally omitted from this list and are not included below. Those games, along with the following games, are listed on the individual consoles pages. In addition, many retail games have been available on cartridge, CD-ROM, and DVD-ROM. The following table lists games that are included under the "PS2" category but are not included in the list of PlayStation One games. The following table lists PSone games which were not initially released in retail format and were later released on PS2. Also included are games which were only released on PS2 with enhanced features. The following is a list of PS2 remakes or ported versions of previous games. It includes games ported from other consoles, including the Xbox, GameCube, Game Boy Advance, and Neo Geo. A less complete list can be found at the following location: List of PlayStation 2 games (category), List of PlayStation 2 games (part 2) List of PlayStation One games The list is sorted by developer. Items with either a series or an individual number are subtotals. I strongly suggest that you check the official website to ensure that you are not missing any pre-order bonuses or promotional items.
