Middle-earth: Shadow of Mordor. Official Site.Q: How to mock a XmlReader to only reads the inner text? I want to mock an XmlReader. The XmlReader will get the content from the following xml file and then will use a specific method to read the content into a string array. I am trying to mock the method so that only the inner text is read. 123123 1222323 1232123 The page report is what I want to get, the xpath will be Report/PageReport[1]/Page1. The reason I am mocking the XmlReader is because it is overkill to use a XmlDocument. I tried to mock the XmlReader using Moq, but the only method I can find which extracts the content is ReadToEnd(). With this method all the content will be read. A:
